Faith & Grief Memorial Arch 2021

Our Story

FAITH & GRIEF

Our mission is to provide opportunities for comfort & hope to those who have experienced the death of a loved one. We offer monthly grief support gatherings, the Faith & Grief Workshop, and weekend retreats as well as a podcast and online resources. We collaborate with local organizations to provide grief support programs for their communities and we offer programs online.

FAITH & GRIEF MEMORIAL ARCH

The Faith & Grief Memorial Arch is a place of hope and comfort for those grieving the loss of a loved one. We host the Arch each holiday season in Dallas' Klyde Warren Park. Visitors write the name of a loved one on a ribbon and add the ribbon to the Arch as a symbol of remembrance.

The Faith & Grief Memorial Arch was a direct response to the tragedy experienced in 2016 when five first responders were killed in Dallas following a vigil and march being held to remember others killed by violence. Over 4000 ribbons were placed in 2021. This will be our 7th year providing this memorial opportunity to the DFW community.
